Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 21 October 1958

FROM : Chief, Orientation Faculty, IS

SUBJECT: Weekly Activities Report #41, 15 - 21 October 1958

1. Intelligence Products Exhibit

a. The failure of the School of International Communism to find other classroom space for the JOT program on 30 October as originally planned has forced the cancellation of the Support Exhibit and the rescheduling of the Intelligence Products Exhibit from Thursday morning, 30 October to Wednesday afternoon, 29 October.

b. This change has resulted in some ^{initial} confusion among the other intelligence agencies who had been invited to the 30 October exhibit. OBI had already issued invitations to Army, Navy, State and Air Force and had made transportation arrangements for the 30 October date. NSA finally decided to cancel entirely its plans for sending 80-90 visitors, since they felt afternoon buses would not be able to return to Fort Meade in time for their early closing hour. *which has been straightened out!*

c. The invitations for the original exhibit date had been extended last summer, after coordination with the Chief, School of International Communism, who had agreed to make the auditorium available on the morning of 30 October. *has made the required*

2. JOT Program
